

Intellectual Property Policy

Effective Date: March 16, 2026

WorldTutors maintains proprietary ownership over its educational systems, training materials, and platform content.

Ownership of Materials

All content on the WorldTutors platform is the intellectual property of WorldTutors.

This includes:

- The WorldTutors Mentorship Model™
- Talented Tutors Academy™
- Tutor training systems and certification pathways
- Tutor Handbook and all written materials
- Session templates and subject guides
- Tutor Toolkit and Session Builder
- All digital platform content and instructional resources

Permitted Use

Users may access and use materials solely for participation in WorldTutors programs.

Prohibited Use

Users may not:

- Copy, reproduce, or distribute materials
- Share materials outside the platform
- Create derivative programs or training systems
- Use materials for external or commercial purposes

Protection of System

The WorldTutors model represents a structured educational system developed through significant effort and expertise.

Any attempt to replicate, repackage, or redistribute this system is strictly prohibited.

Enforcement

Unauthorized use may result in:

- Removal from the platform
- Termination of participation
- Legal action if necessary

WorldTutors reserves all rights to protect its intellectual property.
